

EarthCam AMERICA **250**

Open a Window to Your America

As a proud partner of America250, EarthCam is bringing the nation's 250th anniversary to life through live, real-time views of the places that define America.

A Platform with Global Reach

1. 1.3M+ social media followers
2. 800K+ YouTube subscribers
3. 27,000+ annual broadcast TV mentions
4. Featured by major news networks and publishers
5. Distributed across EarthCam.com and streaming TV platforms

27K Annual Broadcast TV Mentions

Social Media Followers: 1.3M+

800K+ Subscribers

What We're Looking For

1. Skyline and waterfront views
2. Landmarks and historic sites
3. Town squares and gathering spaces
4. High public and tourism appeal

Why Participate

1. Reach a global audience
2. Drive tourism and awareness
3. Showcase your community during a historic national milestone

What Selected Partners Receive

1. Camera and installation support
2. Live streaming, hosting, and maintenance
3. Global distribution across EarthCam's network
4. Promotion across digital, social, and broadcast

Selected communities with the most compelling views may receive a fully supported EarthCam installation at no cost.
