

Model #ECPN9866

Work Zone Cam Solstice

Affordable 4K time-lapse

- Time-lapse for reliable, detailed documentation.
- High quality photography for accurate record.
- Fully managed software service (SaaS) & mobile app.
- Versatile archive options: 4K/26 MP.
- IP or 4G LTE networks, for fast responsive control.

Wide Angle of View

Digital Pan/Tilt Zoom

Multi SIM Card Support

Image Backup

AI-powered Time-Lapse

Project Management Integrations

iOS & Android Mobile App

Full Service Support

TECHNICAL SPECIFICATIONS

- Professional mirrorless full-frame camera with CMOS image sensor
- 26.2 Megapixel images (6240 x 4160 pixels)
- Compression: JPEG
- Lens: RF16mm F2.8 STM
- Horizontal field of view: wide 97°; Vertical field of view: 74°
- Auto Features: ISO, Shutter, White Balance and Focus
- Dual Pixel CMOS AF with 4,779 selectable points
- Thermostatically controlled IP66/IP67 rated environmentally sealed black powder coated enclosure with stainless steel hardware
- Two UL rated compression glands, gas spring lid, adjustable camera sled
- Smart diagnostic LED tri-color power indicator lamp
- Professional photo grade lens window
- Operating temperature: -10° F to 120° F (-23° C to 49° C), Humidity: 10-100% RH
- Wireless cellular 4G LTE modem with GPS and antenna
- Multi SIM card support for mobile carrier diversity
- On-board data backup to provide a minimum of thirty days of on-board image retention
- Power over Ethernet
- Battery, LiFePO4 chemistry, 9.9Ah
- Secure 256-bit AES encrypted onboard storage
- Industrial grade solid state embedded Linux System
- Designed for EarthCam Control Center Software
